Customer Problem Statements

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A patient seeking medical consultation	Find a suitable hospital and book an appointment quickly	I have to search multiple sources and wait for confirmations	Healthcare information is scattered and appointment systems are not centralized	Frustrated and stressed
PS-2	A patient requiring emergency medical assistance	Get immediate ambulance support and emergency healthcare services	I cannot easily locate available emergency resources nearby	Emergency healthcare information is not available in one place and response tracking is limited	Anxious and worried
